Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

SUBMISSION REGARDING PREVIOUS IDS

It has now been appreciated that the certification under 37 CFR §1.97(e)(1) for the Information Disclosure Statement (IDS) filed on March 22, 2007 was, without deceptive intent, incorrect. Accordingly, such certification is now withdrawn and the same three references (although already considered) are now resubmitted (along with other, PCT-related documents) with an IDS accompanying an RCE. If the US Patent Office has any question regarding the substance of the foregoing or any formalities, please contact the undersigned.

The Commissioner is authorized to charge the undersigned's deposit account #14-1140 in whatever amount is necessary for entry of these papers and the continued pendency of the captioned application.
